# EDU-SYRIA

## Scholarship Programme

Project to support the livelihoods of Syrian refugees and vulnerable Jordanians.

### AT A GLANCE

EDU-SYRIA is a series of EU-funded projects through the EU Regional Trust Fund in Response to the Syrian Crisis (Madad Fund), and the Neighbourhood Instrument (ENI), which are managed by the German Jordanian University.

EDU-SYRIA aims to improve the livelihoods of Syrian refugees and vulnerable Jordanians, who are beneficiaries from the local charity organizations; National Aid Fund, Tkiyet Um Ali, Zakat Fund and Al Aman Fund, through access to higher and vocational education and improvement of employability.

### The project consists of 4 projects:

EDU-SYRIA I  
started in 2015

EDU-SYRIA II  
started in 2016

EDU-SYRIA II  
Additional started  
in 2019

and lastly  
EDU-SYRIA III  
started in 2020.

The European Union funded EDU-SYRIA with  
**32.6 Million Euro** in total so far.

### The project is a consortium of 9 local and international partners:

The German Jordanian  
University (leader)

Queen Rania Teacher  
Academy

Mutah University

DAAD

Jordan University of  
Science and Technology

Zarqa University

Nuffic

Yarmouk University

Luminus Technical  
University College and  
Luminus Jordan Start

The project cooperates with the UNHCR to identify Syrian refugees eligible for the scholarships, and with the Jordanian aid organisations to identify underprivileged Jordanians:

National Aid Fund

Al-Aman Fund

Zakat Fund

Tkiyet Um Ali

## CORE OBJECTIVES

The Programme, in partnership with Nuffic, funds 12 sub-projects implemented by local institutions, that will provide different TVET programs to support the target groups in 3 transition stages; after High school, during undergrad studies, after graduation.

**nuffic**  
meet the world

The Programme aspires to equip teams with the necessary competencies and abilities to establish 40 start-ups, in addition to providing seed capital to launch their start-up businesses.

The Programme supports Jordanian teachers by offering 180 Teacher Education Professional Diploma scholarships.

QUEEN RANIA TEACHER ACADEMY  
أكاديمية الملكة رانيا لتدريب المعلمين

The Programme seeks to develop the skills of Syrian refugees and vulnerable Jordanian students by offering short labour market oriented courses that provide them with the required knowledge and skills to access the labour market.

The Programme aims to provide more than 3000 higher education scholarships (bachelor's degree, master's degree, and vocational diploma).

## ACHIEVEMENTS SO FAR

EDU-SYRIA has enrolled **3094 Students** so far in various academic degree programmes, Including 453 dropouts
