

## **EDU –SYRIA IV for Graduate Studies Scholarship Program Funded by the EU Scholarship Announcement for Jordanians**

EDU-SYRIA IV program for graduate studies is part of a broader project that includes a range of other programs. It is funded by the EU and implemented by DAAD as part of a consortium led by German Jordanian University (GJU) with a mission to fund talented vulnerable Jordanian youths and develop them further by providing them with rewarding opportunity to study to obtain a master's degree. Therefore, they have the ability to lead and advance their career and consequently better productive livelihood. This program offers up to (45) master's degree scholarship opportunities for Jordanians at 4 partner universities: The Jordanian University of Science and Technology (JUST), Mutah University (MU), Yarmouk University (MU) and German Jordanian University (GJU) in specific fields, starting of the first academic semester 2025/2026 for the non-thesis track only.

**The deadline for submission of applications is August 31<sup>st</sup>, 2025, at 12:00 am**

### **I. Support from the Scholarship Program**

- The scholarship will cover the tuition and registration fees for a maximum of four semesters, as well as a one-time admission fees.
- A stipend of 400 Euro will be awarded once per semester to cover basic expenses such as books. (only for four semesters)
- Scholarship recipients will receive maximal administrative support throughout the program of study.

### **II. Eligibility Criteria**

To be eligible for the scholarship, the applicant shall meet the following:

1. Be a beneficiary of one of following aid funds: National Aid Funds (NAF), Tkiyet Um Ali Funds (TUAF), Al-Aman Funds (AF), Zakah Funds (ZF).
2. Not over 28 years of age at the start date of the intended master's degree program.
3. Grade Point Average (GPA) of the undergraduate degree in the relevant program must be at least **“Very Good”** or higher.

4. Submitting a valid (not older than 2 years) IELTS or TOEFL result with the required band/score (as per the chosen university and the program requirements) will prioritize your application and significantly increase your chances of acceptance.

**(check available programs and their language requirements on pages (5-9) of this document.**

5. **Please note** that your chosen Master's program must be consecutive, meaning it should be directly related to and build on your Bachelor's studies. As the scholarship will not cover any expenses for prerequisite or deficiency courses.
  - Women are encouraged to apply.
  - People with special challenges/special needs are encouraged to apply.  
(Applicants with visual and severe hearing impairment are exempted from the language proficiency exams, unless they chose to study English literature or applied linguistics).
  - No work experience is required.
  - The applicant who is already enrolled in a master's program, or has another scholarship, or either has been dismissed or dropped out from EDU-SYRIA Graduate Studies Scholarship Program, will be immediately excluded from the scholarship.

### III. Application and Required Documents

The applicant has to prepare and submit the following documents:

1. Completed scholarship application form, link to the application portal:
2. <https://edu-sys.eu/EduSyriaScholarship/EduSyria/Login>
3. A copy of the applicant's National ID.
4. A copy of the applicant's high school diploma (Tawjihi or equivalent).
5. A copy of the Bachelor's degree certificate.
6. A copy of your transcript of records with all individual grades and semesters.
7. A curriculum vitae (CV)/resume in English that outlines educational background and research experience, if any.
8. Recent applicant's photograph.
9. Proof of receiving aid fund from one of the following:

National Aid Funds (NAF), Tkiyet Um Ali Funds (TUAF), Al-Aman Funds (AF), Zakah Funds (ZF).

10. An English Language Proficiency test; TOEFL or IELTS; in accordance to the required band/score of your chosen program. (priority will be given to those who submit it)

11. Disability ID card (only for people with disability)

#### **IV. Supported Field of Study and Corresponding Universities**

Obtained admission for a master's program will be accepted if it was granted by the following universities and disciplines, German Jordanian University, Mutah University, Yarmouk University, and Jordanian University of Science of Technology and the corresponding fields of studies, please refer to pages (5-9) **of this document** for those disciplines and schools.

#### **V. Selection Process**

The selection process consists of two rounds:

##### **A. Round 1: Initial Application Screening**

After the scholarship application deadline, an initial eligibility screening will be conducted to ensure that the applications meet all the pre-determined requirements. Following the screening, interview appointments will be scheduled and sent to eligible applicants. Priority will be given to students with higher GPAs and with IELTS or TOEFL results during this process.

##### **B. Round 2: Interview**

The **Scholarship Selection Committee** will conduct the Interview Round using a blend of Arabic and English for each candidate face-to-face if circumstances permit.

Each applicant will be scored based on their performance during the interview.

After passing the Interview Round, candidates who have not had a letter of admission from any targeted universities, DAAD will apply for them to be admitted in the targeted university/field of study master's program of their choice (for the supported fields please check pages (5-9) **of this document**).

**Note:** Applicants who have already obtained an admission offer from a targeted university to study one of the supported fields do need to continue the application process along with submitting the required documents.

All applicants to the Scholarship Program will be notified of final results before the start of the first semester 25/26.

### **C. Selection Criteria:**

The application and selection process of EDU-SYRIA IV Graduate Studies program is open, competitive, transparent, and free of charge. Members of the Selection Committee are prominent professors in various fields of science and technology and humanities. Applicants do not need to pay any fees to anyone to apply for the scholarship. Scholarship recipients are selected based on vulnerability, individual merit, including academic performance in addition to their English proficiency, preparation, intellectual capability, potential, courage/resilience, and commitment to contribute to the development of humanity, science, and technology which will be assessed during the interview phase.

### **D. Scholarship Conditions**

Applicants must fully meet the application requirements of the scholarship. During the study program, applicants must meet all the academic requirements determined by the program as well as reporting their academic performance and research progress periodically to the Scholarship Program mentor.
